

COMFORT premium eco

Focusing on sustainable direct investments

«COMFORT premium eco» focuses on direct investments (equities and bonds), supplemented by selected funds. The selection of securities takes account of the ESG* guidelines of St. Galler Kantonalbank.

ESG stands for «Environment, Social und Governance», i.e. company management that is eco-friendly and socially responsible.

As an investor who attaches importance to ecological sustainability, social justice and societal values, you benefit directly from the assessments and forecasts of our investment specialists and are able to optimize the opportunities and risks within the scope of your investment strategy.

How you benefit

- You invest with a good conscience
- Clear, transparent portfolio structure through direct investments
- Investment in individual securities of companies and organizations that meet our ESG criteria
- Our investment specialists' assessments have a direct impact on your portfolio
- Consistent and systematic investment process within the scope of your investment strategy
- Constant monitoring of your portfolio
- Detailed reporting and all the documents you need for your tax return (only available for selected countries)
